

**A Report on the student attributes facilitated by Rajarshi Shahu College of Pharmacy and Research, Tathawade, Pune**

- **Lifelong learning:** Equipping students with the ability and interest to continue to enlarge their knowledge, understanding and skills throughout their working lives.
- **Research, scholarship and enquiry:** Providing students with a sound grasp of how new understanding is generated in a given field or subject area through experiment and empirical investigation, and the ability to apply a systematic and critical assessment of complex problems and issues.
- **Employability and career development:** Developing students' knowledge, skills and qualities relevant to chosen career paths and to those paths which may open up in the future, enabling each to succeed in a rapidly changing workplace and in becoming entrepreneurs.
- **Communication and information literacy :** Cultivating students' abilities to communicate effectively their knowledge, understanding and skills, in a range of settings, and using a variety of media; and formulating, evaluating and applying evidence-based solutions and arguments.
- **Ethical, social and professional understanding:** Nurturing a reflective awareness of ethical dimensions, and responsibilities to others, in work and everyday life.
- **Collaboration, teamwork and leadership:** Cultivate skills for working in teams and groups, and leading where appropriate.
