The status and the position of women in society is the best way to understand a civilization, its progress and its shortcomings. In India, women are gracing various positions like in the armed force, IT sector, politics industry, academics balancing the role as a daughter, wife and mother. While all these are positive developments, harassment at workplace is rampant. To facilitate speedy delivery of justice to women, ISPM's Rajarshi Shahu College of Pharmacy and Research has constituted "Internal Complaint Committee". The ICC seeks to adhere to the spirit of Vishakha guidelines preceding this legislation in order to address the issue of sexual harassment at workplace for ensuring gender equality.
