7.1.3 Action taken Report and Achievement Report as Clean and Green Campus Initiatives

No.	Action Taken	Achievements
1.	Conducted Cleanliness Drive (Swachhata Hi Seva Activity, Swachha Bharat Swastha Bharat Activity).	Campus and building is always maintained in a clean state. Regular cleaning is done by the assigned staff. Besides, cleanliness drive has helped to instil a sense of importance of cleaning and hygiene in students. Helps to rejuvenate our environment and create a cleaner and healthier atmosphere.
2.	Conducted Nirmalya collection and composting activity.	Reduced water pollution and helps to keep the balance of environment.
3.	Plastic free campus initiatives are monitored regularly.	Plastic free activities have helped in generation of minimum plastic waste in the campus. It is monitored that no plastic bags are used by the students and staff .
4..	Encouraged practice for minimum use of papers.	Paper usage has been reduced as no unnecessary prints are taken by staff. Wherever possible, both sides of papers are used as well as rough papers are used.
5.	Conducted tree plantation Drive.	Tree plantation is carried out in campus from time to time. This has helped in improving the air quality and reducing pollution. Participation in Guinness World Record for tree plantation drive in Association with Savitribai Phule Pune University, Pune has helped in maintaining ecological balance.

Swacchata Hi Seva Activity

The aim of activity to promote students participation, emphasize the importance of a clean village, reinforce sanitation as a collective responsibility. These collective efforts have rejuvenated our environment, creating a cleaner, healthier atmosphere.

Active participation of students in Swacchata Hi Seva Activity

Swachha Bharat Swastha Bharat Activity

The activity was aimed for making the streets, roads and offices clean from filth and garbage. Students raised slogans on health and cleanliness.

Active participation of students in Swachha Bharat Swastha Bharat activity

Tree Plantation Activity

Tree Plantation Activity revealed the importance of Tree Plantation for prevention and treatment of various diseases and motivated the students and staff to accomplish the greenery in the premises. More than 20 saplings of medicinal plants were planted.

Active participation of students in Tree Plantation Activity

Nirmalya Collection and Composting Activity

The flowers, leaves and garlands offered to the idol of Ganpati are generally left into the water ponds, then water become polluted and if it is dropped in the garbage, it become litter and gets desecrated. To reduce the water pollution and to keep the balance of environment, NSS Unit has taken active participation in nirmalya collection and composting activity.

Active participation of students in Nirmalya Collection and Composting Activity

Plastic Free Campus Initiatives

Plastic free activities have helped in generation of minimum plastic waste in the campus. It is monitored that no plastic bags are used by the students and staff .

Display of plastic free campus and say no to plastic slogans at various places in the institute
