ABOUT THE PROGRAM

Technical education system has to be continuously reviewed to meet the requirements of rapid changes in technology and global quality standards. Various governing bodies, at national and international level, have suggested few dimensions for improving quality of education imparted at technical institutions. Few of the major quality dimensions are curriculum updation, academic research and innovative methods in teaching learning, assessment and examination reforms, innovation and incubation, alumina engagement, use of ICT tools and assessment of quality standards. Technical institutions are expected to concentrate on these different quality dimensions for overall quality improvement.

The FDP on "Promoting Quality Culture in Technical Institutions" is aimed at creating awareness of different practices falling under different quality dimensions, and which can be implemented for quality promotion and sustenance in higher level technical institutions.

PROGRAM OBJECTIVES

ABOUT THE UNIVERSITY

Sridev Suman Uttarakhand University was established as a State University of Uttarakhand, with the State Government notification No 270/XXXVI (3)/2012/48(1)/2012 dated 19th October 2012, following the amendment of the erstwhile Pt. Deen Dayal Upadhyay Uttarakhand Vishwavidyalaya Act in 2011. The university is nestled amidst the picturesque Himalayan ranges in Tehri Garhwal and has jurisdiction over seven districts, including Chamoli, Raudraprayag, Pauri, Tehri, Uttarkashi, Haridwar, and Dehradun in the Garhwal region of Uttarakhand. The university's Badshahithaul campus is strategically located between Chamba and New Tehri, offering a breathtaking view of the snow-capped Himalayas and the enchanting Bhagirathi Valley. With its location on the Delhi-Gangotri national highway, it enjoys seamless connectivity with major areas of the country, making it accessible to students and faculty members alike.

Pt. Lalit Mohan Sharma Campus, Rishikesh, the erstwhile autonomous college, one of the best academic institutions of the newly created Uttarakhand State catering to the academic need of the western part of Uttarakhand, is the new campus of the University. The Government of Uttarakhand decided to convert the college into a campus of the university to justify the historical facts regarding the city as the name "Hrishikesh" which is a combination of two words Hrishik (senses) and esh (God or master) is the perfect place to gain the highest quality of knowledge through penance (hard work) and devotion. Set against the backdrop of the Himalayas and with the pristine Ganga flowing through it, the ancient town is a hub of many ancient and new temples, attracting thousands of pilgrims throughout the year. The popular belief of Hindu devotees is that performing austerities in the holy town and offering prayers in the holy temples bring the much-needed attainment of 'Mukti' or salvation. The city is well connected with buses, trains from major areas of the country, and Air (Dehradun Airport at Jolly Grant is nearly 21Kms from Rishikesh).
