**Industrial Visit (2021-22)**

**Industry Name: Nulife Pharmaceuticals**

**Class: Final Year B Pharm  
and Second Year M. Pharm**

An Industrial Visit was organized by our College for **Final Year B Pharm and Second Year M. Pharm** students on **08/06/2022**. The Faculty member Prof. Anil Tankar and Dr. Ujjwala Kandekar, accompanying 55 students visited **Nulife Pharmaceuticals** located at **Pimpri, MIDC Pune**. Our college alumni Ms. Vedija Nagarkar, F&D chemist, and Deepa Jadhav, Production trainee, Prashant Saste Production head Nulife Pharmaceuticals explained students about manufacturing and packaging departments of the company. Our another alumni Ms. Dhanashree Darekar, Quality Control Chemist, Nulife Pharmaceuticals informed students about analysis of raw material as well as finished products using advanced analytical instruments and documentation per CGMP guidelines. Mr. Rajesh Jadhav, Plant head have guided us regarding the audits and regulatory compliance of pharmaceutical products.

Students were able to observe manufacturing processes in Liquid Oral, Ointments, Tablets and Capsules. The students were allowed to overview Store department, where they observed storage condition, sampling & documentation regarding raw material. Operation of liquid filling and sealing machines was

explained to the students. The students were also exposed to packaging section to observe automatic blister packing machines & its operations. The students were curious throughout the visit and interacted with personnel of various departments.

This visit has helped to acquaint the students about Good Manufacturing Practices, Pharmaceutical product manufacturing, packaging & testing, and CGMP aspects thereof. The personnel of the company were highly cooperative and provided excellent hospitality. JSPM transport dept. has provided transportation facility for the industrial visit.
