Hospital Visit

Name: Lifepoint Hospital

Hospital Visit was organized by College for **B. Pharm Third Year, Final Year & M. Pharm** students on **03/06/2022**. The faculty member Dr. Trupti Deshpande, Dr. Prashant Ghode & Prof. Nilima Kinekar, accompanying 35 students visited **Lifepoint Multispeciality Hospital** at **Wakad, MIDC Pune**. Mr. Sagar Bhor, & Dr. Sunil Chaudhari, Director, had given introductory session about clinical research & Opportunities in clinical Research. After that they had taken students for field visit & shown Documentation room, Quality control department, Quality assurance department & Investigational product room and Phlebotomy room, patient counselling room. They explained actual process of all the departments & rooms., starting from Informed consent form filling to sample collection from patient & conducting clinical trials. They also briefed the students about approval process of Investigational product for clinical trial. It was very informative & learning experience for students.

The visit was so exciting and interactive that took us around one and half hours to just have look at all the departments. The personnel of the company were highly cooperative and provided excellent hospitality.
