

## **Industrial Visit for Final Year B.Pharm at Nulife Pharmaceuticals**

An Industrial Visit was organized by our college for B.Pharm Final Year students on 30/04/2018. The Faculty member Prof.Yogesh Wagh and Prof.Manisha Chavan, Training and Placement Dept. accompanying 43 students visited Nulife Pharmaceuticals located at Pimpri MIDC Pune.

The students were exposed to packaging section to observe automatic blister packing machines & its operations, students were allowed to overview raw material storage dept, its working procedure & documentation.

This visit has helped to acquaint the students about good manufacturing Practices, pharmaceutical manufacturing testing, research and development in Pharmaceutical Industries.
