

Hospital Visit Report

Date of visit: Tuesday, 04th March, 2025

Location: Medcover Hospital, Bhosari; Pimpri-chinchwad

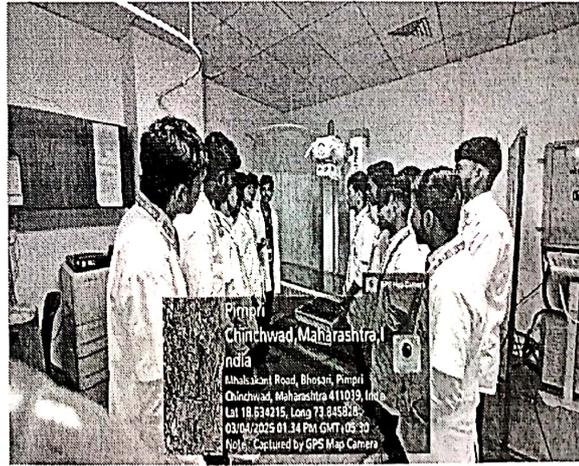

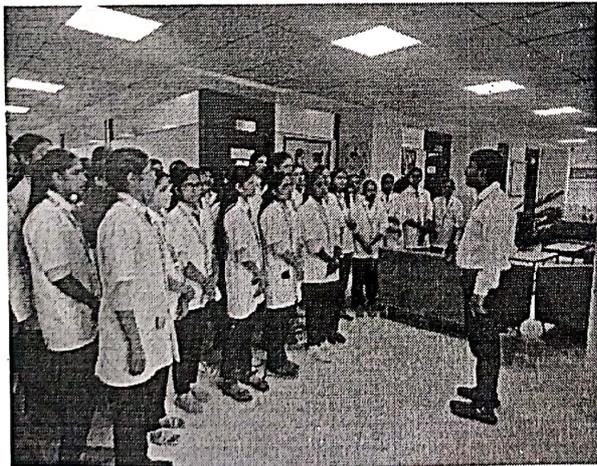

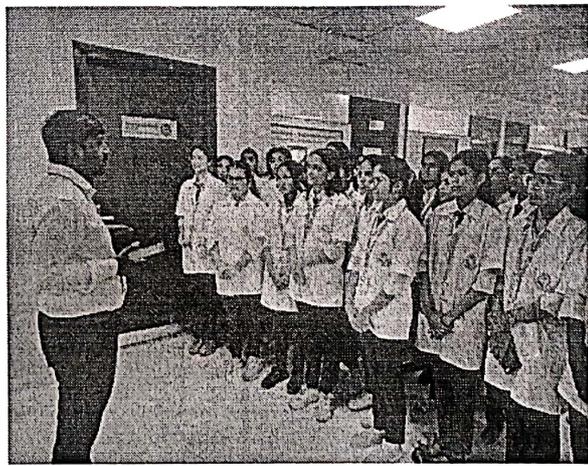

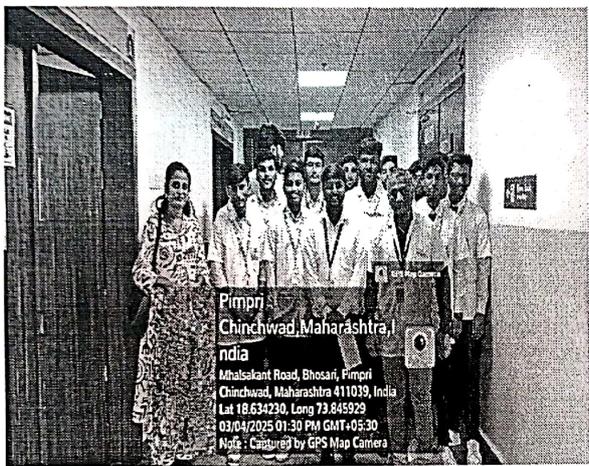

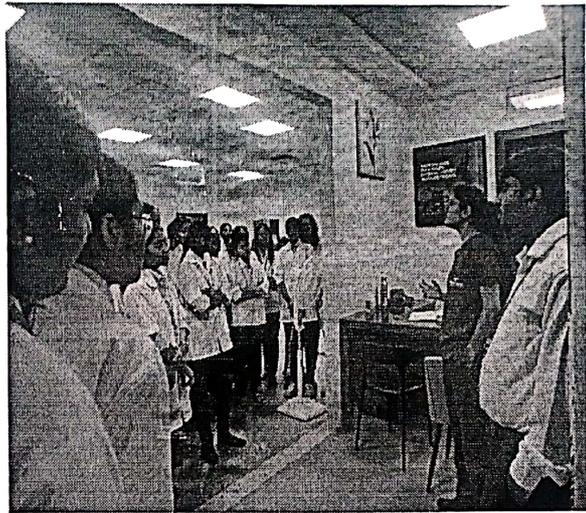

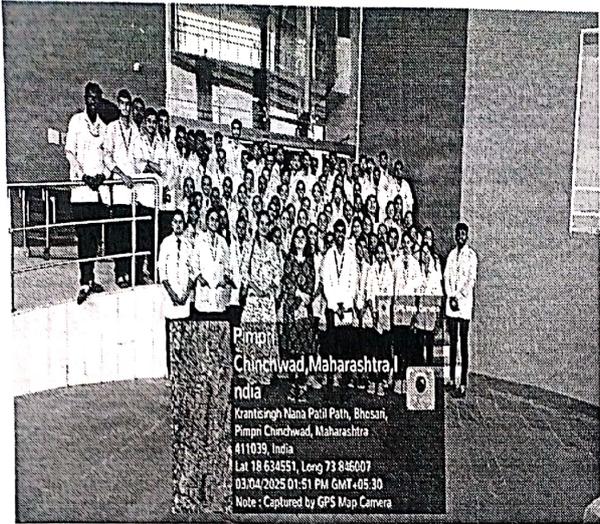

Co-ordinator: Prof. Vrushali Kakad and Prof. Priyanka Ghadage

JSPM's Rajarshi Shahu College of Pharmacy and Research Tathwade organized Hospital visit at Medcover hospital, a leading multispecialty hospital in Pimpri-Chinchwad for first year B. Pharm on Tuesday, 04th March, 2025. The hospital visit was organized to provide first-year pharmacy students with an introductory understanding of hospital functioning, basic pharmacy operations, and the role of pharmacists in patient care. The aim was to connect classroom learning with real-life healthcare practice.

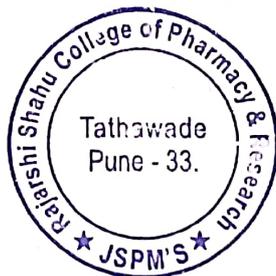

Students explored various departments of the hospital like Reception and OPD, Hospital Pharmacy, IPD, Radiology, Maternity and Child Care, cardiology, orthopedics, nephrology, pulmonology, gastroenterology, physiotherapy, emergency care unit, Operation Theatre, Dietary & Nutrition and Central Sterile Services Department. The Medical Superintendent of the hospital was given a brief explanation on basic diagnostic tests like blood tests, X-rays, etc., and advanced diagnostics like MRI, CT scan, digital X-ray and high-end endoscopy as well as how they assist in treatment.

The hospital visit gave students first real-world exposure to healthcare and pharmacy practice. It motivated to study with greater interest and understand the importance of role as future pharmacists in promoting health and wellness. Faculty co-ordinator given vote of thanks to hospital management and staff for allowing visit and learn.
