## Policy Document

On

## Environment and Energy Usage

The Environment and Energy usage Policy of JSPMs, Rajarshi Shahu College of Pharmacy and Research, Tathawade, Pune is to manage energy in such a systematic way so as to minimize its impact on the environment. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out substitute natural resources as solutions to the energy crisis.

This environment and energy policy is binding for all the components of the institution and applies to all its stakeholders and to the various activities undertaken by the institution. It will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage.

### Policies:

- To assess our energy usage and measure its impact on the environment.
- To count CO2 emissions generated in the campus.
- To reduce local air pollution emissions using environment-friendly vehicles, including bicycles, public transportation and use of pedestrian-friendly roads.
- To install solar panels for the generation of alternate energy.
- To install LED bulbs in the complete campus to save energy.
- To develop systematic waste management mechanism.
- To develop rain water harvesting unit.
- To undertake tree plantation drive.

- To encourage use of advanced technology to minimize energy consumption, atmospheric emissions and noise, particularly from our vehicles by promoting use for electric vehicles.
- To promote environment, energy efficiency and sustainable development in collaboration with government agencies, municipal corporation .
- To strengthen our employees' and students' environmental knowledge and skills in order to improve environmental performance.
